DIRECTORY INFORMATION ACKNOWLEDGEMENT

Certain information about district students is considered directory information and will be released to anyone who follows procedures for requesting it unless the parent objects, in writing, to the release of any or all directory information about the child within ten school days of receiving the handbook. Directory information includes a student's name, address, telephone number, date and place of birth, major field of study, grade levels, photograph, e-mail address, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, awards received in school, and most recent previous school attended.

Military recruiters or institutions of higher learning shall have access to secondary school students' names, addresses and telephone listings, unless a parent/guardian or secondary student aged 18 or over requests in writing that such information not be released.

The District will release to the Parent Teacher Association the names, addresses, telephone number and grade levels of students (unless the District is informed by September 15 of the school year that designation of such directory information has been refused as to a particular student) provided such information is to be used by the PTA for its own school activities or school business.

I have read and understand the information above.
